

**Mortarless Systems Engineering, Inc.**  
**2011 Fee Schedule**  
**(Full Design)**

| <b>Wall Area, incl. cap<br/>(ft<sup>2</sup>)</b> | <b>Rate<br/>(\$/ft<sup>2</sup>)</b> | <b>Minimum Charge<br/>(\$)</b> |
|--|-------------------------------------|--------------------------------|
| ≤ 3000   | 0.65 (0.75*)                        | 750.00                         |
| 3001 - 6000                                      | 0.55 (0.64*)                        | 1950.00                        |
| 6001 - 9000                                      | 0.47 (0.54*)                        | 3300.00                        |
| 9,001 – 15,000                                   | 0.40 (0.46*)                        | 4230.00                        |
| 15,001 +   | 0.34 (0.39*)                        | 6000.00                        |

\* - indicates rate for design requirements other than NCMA (i.e., AASHTO, FHWA, State DOT, public gov't, etc.)

Rates do not include site visits, revisions, response letters, letters of compliance, etc. (Initial plans only!)  
Client must provide grading plan, soils report, and project specific specifications.
